

Dear In woods Forest demonstration
Thank you for letting us come
to the demonstration. My
favorite was the timber
Sports I'm one of the kids

who got one of the slices of
wood. My second favorite was
the horses and mulls, I didn't
know that mulls are smarter
than horses and donkeys, I have
2 horses and a donkey but no mull.
Thank you for the trip it was
awesome.

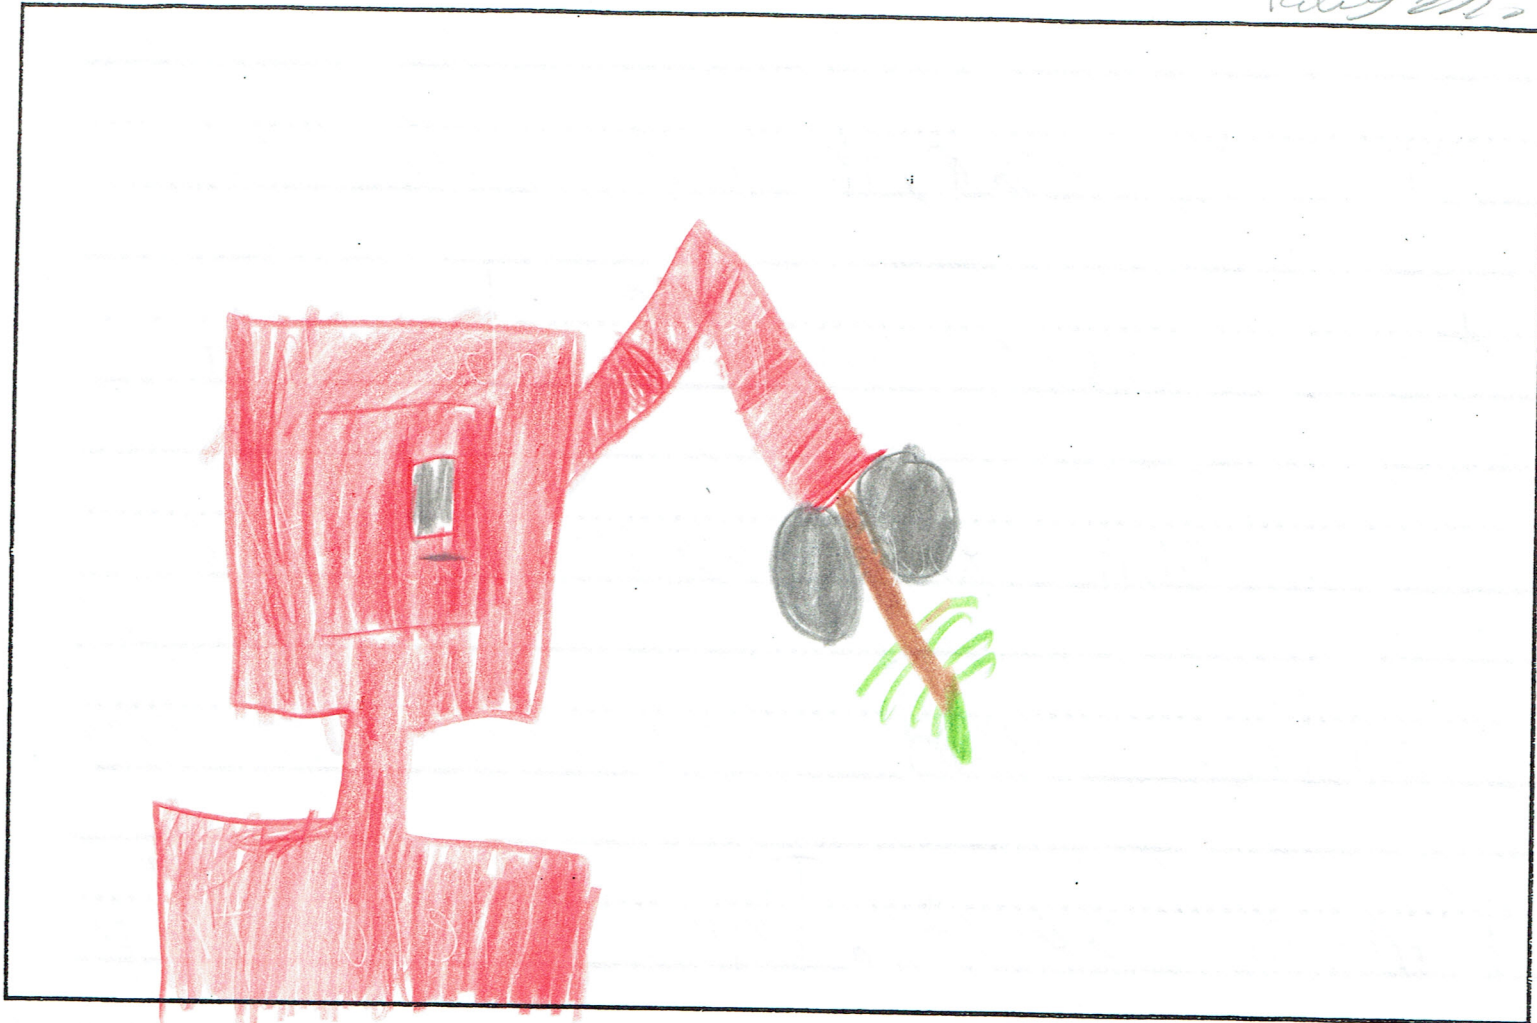

Dear Sierra Cascade Logging,

Thank you so much for participating and

showing us to care for wildlife. I really

liked the wildlife group from,

Jessie

Dear Sierra-Cascade Logging In-Words

Forest Demonstration.

Thank you for inviting my

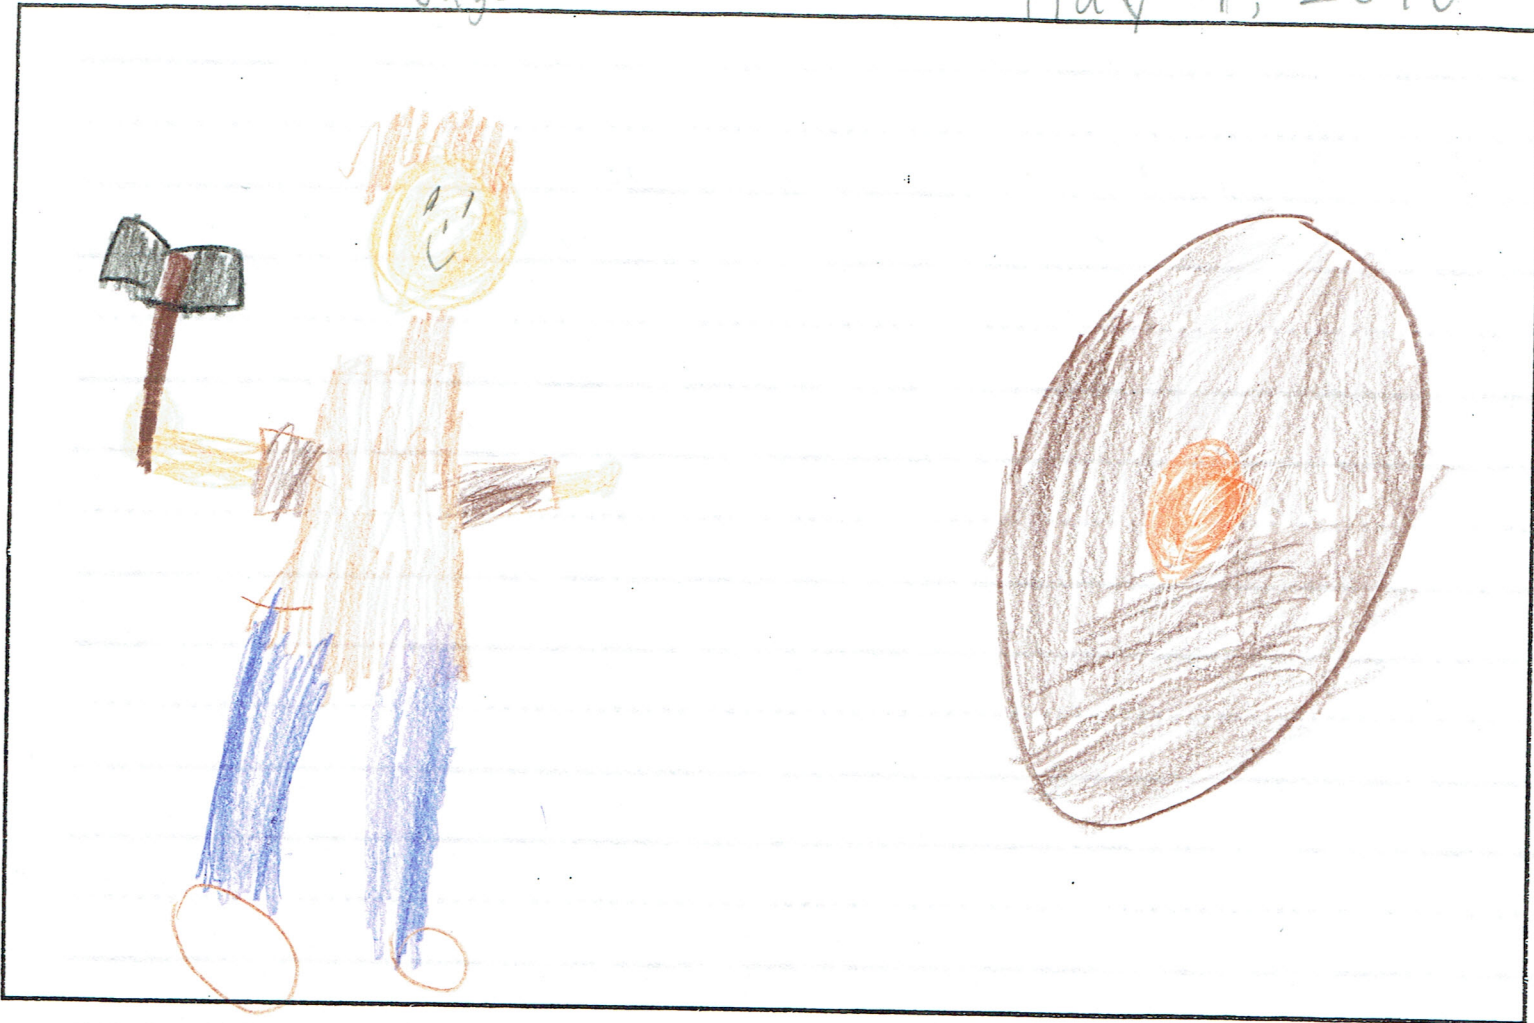

class to the demonstration.

My favorite things were

the processes, the research lab, and
the biology center. I also liked
it when you gave us the
cookies and showed us the
timber sports. The field trip
was one of the best ones
in a long time. Thank you.

Sincerely,

Ailey M.

Dear Silverdale - Class and Logging

Thank you for inviting us

to the In Wood Forest demonstration

My favorite thing was the timber

sports because they show axes and used

May 6

Dear Sierra Cascade Logging

Inwoods Forest Demonstration, I would

like to thank you for inviting us

to your forest. I really liked

the chipper, also the cookies

and water bottles. I still use mine my most favorite

part is the lumber sports. Oh thanks for

the souvenir pinecone. Sincerely
Miami
